

Kids - educational

Along with activities we run over school holidays, there is a self guided walk which is sign posted with the following information .

Our Raspberries fruit for 6 months of the year from mid December till Mother's Day in May.

We can organise a talk for students and school groups , just **email us** with details and what information you would like for eg. agriculture and growing of Raspberries , business innovation , food/ hospitality , Tourism or General.

Contact us if you need help with designing worksheets or activities

If you wish for the children to have their ownpacked lunches we do have a good stone bench (below)which is ideal for school groups. Then kids can come and shop for an icecream etc if you so please. The Bus can park in our overflow car park.

School Groups may have a small single cone for \$2 per child and **free Coffee** for Teachers and Bus Driver.

Activities

Currently have a treasure hunt / word jumble around the lake.
see word document to print from web site.
